Maria Semenjuk

Trainee Front End Developer

👤 Profile

Responsible and enthusiastic, I am interested in IT and everything in its orbit. I have been learning web-dev more than year and have had some success. You can get acquainted with my project on the GitHub account. For this reason, I am looking for a company willing to offer me a placement among its developers. It returns, I would offer my full commitment, and be a pleasant and friendly addition to your team.
