Summary of Qualifications	Responsible and enthusiastic, I am interested in IT and everything in its orbit. I recently began to study web programming, e. g. developing apps and building websites. I have`nt experience in this area, but I am keep to gain more skills in the field. For this reason, I am looking for a company willing to offer me a placement among their developers. It return, I would offer my full commitment, and be a pleasant and friendly addition to your team.
